Pfizer IGuide™ can provide information about insurer requirements and processes if a PA is needed for Cutaquig or Panzyga

Claims Assistance

Pfizer IGuide™ can provide assistance with coding and billing information, reviewing the status of pending claims, and the appeals process

Specialty Pharmacy Options

Pfizer IGuide™ can help identify specialty and home infusion pharmacies based on your patient's insurance network requirements

Alternate Funding Research

Pfizer IGuide™ can research alternate coverage options for uninsured and underinsured patients, and, if identified, assist in understanding the application process

Financial Assistance

Pfizer IGuide™ can identify and connect eligible patients with financial assistance resources for Cutaquig or Panzyga

24/7 access to information and resources for patients and their HCPs

The [Pfizer IGuide™ website](#) is a centralized resource to access information about Pfizer IGuide™ reimbursement and patient support, as well as important information on the coverage, coding, and payment of Cutaquig and Panzyga.

The following can be accessed through the [Pfizer IGuide™ website](#):

- Reimbursement support information and resources, including sample letters of medical necessity and appeal
- Select billing and coding information for Cutaquig and Panzyga
- Pfizer IGuide™ information, including co-pay assistance
- Brochures along with downloadable and writeable PDF versions of enrollment and claim forms

Benefits Verification (BV)

Pfizer IGuide™ can assist your patients with understanding how their insurance may cover Cutaquig or Panzyga. After Pfizer IGuide™ completes a BV, it will provide a Summary of Patient Insurance Benefits that may include complete insurance benefits information for Cutaquig or Panzyga, including:

- Benefit type (medical or pharmacy benefit)
- Insurer requirements for ordering (ie, buy-and-bill, specialty pharmacy)
- Specialty pharmacy options
- Patient out-of-pocket costs
- Prior authorization (PA) and/or predetermination requirements

Pfizer IGuide™ will fax a Summary of Patient Insurance Benefits approximately 2 business days after a BV request is submitted. An Access Counselor can review coverage details with the patient and/or your office.*

Verifying patient insurance benefits is ultimately the responsibility of the HCP. This information is not a guarantee of insurance coverage or reimbursement. All benefit information is limited to the insured patient's plan at the time support is rendered.

PA Assistance

If the insurer requires a PA for Cutaquig or Panzyga, Pfizer IGuide™ can help patients navigate the process. Pfizer IGuide™ can:

- Contact the patient's insurer to identify PA requirements, prepopulate the payer's PA form with the patient's demographic information, and send to the HCP for completion and submission, and
- Follow up with the insurer after a PA is submitted by your office until the insurer makes a final determination

*Access Counselors must have patient consent in order to review the coverage details with the patient.

Claims Assistance

Coding and Billing Information Assistance

Pfizer IGuide™ can research and provide information on Cutaquig or Panzyga coding, billing, and claims questions raised by your office on behalf of your patients

Appeals Assistance

If the claim is denied, Pfizer IGuide™ can provide assistance with the appeal process* where appropriate by:

- Investigating the plan's reason(s) for denying a claim or PA request and determining if and how it may be appealed
- Providing a sample letter of appeal
- Monitoring and following up on the status of an appeal until the payer makes a final determination

Claims Assistance

Pfizer IGuide™ is available to assist with:

- Reviewing the status of pending claims
- Researching underpaid and denied claims

Specialty Pharmacy Options

Pfizer IGuide™ can help identify specialty and home infusion pharmacies based on your patient's insurance coverage.

Alternate Funding Research

Pfizer IGuide™ can research alternate coverage options for uninsured and underinsured patients, and, if identified, assist in understanding the application process. Pfizer IGuide™ Access Counselors can also follow up with the patient to determine the status.

*Appeals assistance is provided only for patients with FDA-approved indications.
